

HB 1476 -- NONDRIVER'S LICENSES

SPONSOR: Brattin

This bill requires the Department of Revenue, upon a request for a nondriver's license, to issue a temporary 30-day nondriver's license to the applicant. Prior to the expiration of the 30-day period, the department must verify the identity and citizenship of the applicant; and upon verification, a standard nondriver's license card must be issued. A standard nondriver's license will expire on the applicant's birthday in the sixth year after issuance. A person who is 70 years of age or older and is a United States citizen must, upon application, be issued a nonexpiring standard nondriver's license card.
